

# FULL-DAY KINDERGARTEN

- Recommending full-day kindergarten to be funded through a second questions and start in September 2017
- Our program will be developed to foster curiosity, encourage imaginative play and create opportunities for authentic and organic learning.
- It will not be babysitting nor will it have increased rigor
- Equalize opportunities for all children.

# Full-Day Kindergarten

- ▣ Based on the input from community member and the full- day exploratory committee I feel we need the time to do it right.
  - Develop curriculum and program
  - Amend facilities
  - Permit current private providers to adjust their business plan
